

## YELLOW JACKET BINGO

In each open square you are to put the dollar values that are listed on the second page. When asking someone to play explain that they are to pick one letter from YELLOW and one letter from JACKETS. The intersection point of their two letters is the donation amount. Be sure to cross out the square ***and*** have them to sign the opposite side of the page indicating that they have donated!

By completing this board and collecting donations for each square you will have raised \$228.75!

If you complete the board and would like to complete additional boards, have at it! 100% of the money raised will go to your account!
