

SPRAYBERRY CHEERLEADING

I acknowledge that I have fully read the Sprayberry Cheerleading Constitution and reviewed the current Cheerleading Calendar understanding that both are live documents and can be updated throughout the season.

I also acknowledge that I understand the current Sprayberry Cheerleading Tryout process and squad placement procedure that was outlined at the Informational meeting

I understand that all candidates for the Sprayberry High School Cheerleading program must have ALL paperwork including a current physical on file PRIOR to the start of tryouts.
