### **What's Next?**

Upon submission of your application, Coach Floyd will review it and communicate with which documents are needed to complete the application process.

### **Picture for the Application**

If you were a Sprayberry Cheerleader for the 2024-2025 school year AND were present at picture day, your picture is on file and Coach Floyd will use that and attach it to your application.

If you are a rising freshman or someone in high school but new to the program, you will need to submit a photo that will be attached to your application. You can submit a digital image or a hard copy. The best photo to use is a wallet sized school photo or posed athletics photo where the athlete's face can be clearly seen identifiable. Mirror selfies, group photos, tilted pictures, making faces in the photo, hand signs, or full-page printed photos are not appropriate and should not be submitted.

### **Physicals**

Physicals MUST be on file before a candidate can participate in tryouts. **NO EXCEPTIONS!**

Anyone who was an athlete in the 2024-2025 school year has physical uploaded to Athletic Registration and Coach Floyd will check the status upon the submission of the application. If this physical has expired, the athlete will need to submit a new physical. Current 9-11<sup>th</sup> students who are NOT returning members of the cheerleading must submit a hard copy physical UNLESS they participated in a Fall or Winter sport AND have a current physical uploaded to Athletic Registration.

Rising freshmen will be required to submit their physical to Coach Floyd. Hard copy or a digital copy of the physical is acceptable. Hard copies will be scanned and returned to the athlete.

Physicals MUST be completed on the APPROVED Cobb County School District physical paperwork which is linked on [www.sprayberrycheerleading.com/tryouts](http://www.sprayberrycheerleading.com/tryouts). It is HIGHLY advised that you print the physical paperwork NOW and take it with you to your appointment. DO NOT expect the doctor to have the correct paperwork. Submitting a physical on the wrong paperwork will delay (or potentially prevent) your tryout participation.
